Tuition / Semester Hour: Total Tuition Charged / Year divided by Estimated Semester Hours / Year (constant)																	
Estimated Semester Hours / Year: constant, assuming approximately 15 credit hours per semester																	
Total Tuition Charged / Year: '07-'08 figure from purchased report																	
Application Fee: located on individual schools' websites																	
Student Technology Fee / Year: located on individual schools' website																	
Student Activities Fee / Year: located on individual schools' website																	
Transfer Credit Evaluation Fee: located on individual schools' website																	
First Year Cost of Attendance: Total Tuition Charged / Year ('07-'08) plus Application Fee plus Fees Paid as a Student / Year																	
Maximum Credits Transferred: located on individual schools' website																	
Double Tuition Avoided: Total Cost of Degree minus Tuition / Semester Hour multiplied by Maximum Credits Transferred (assumes maximum number of credits allowed are transferred)																	
06-'07: figure from purchased report																	
Est. '08-'09: Total Tuition Charged / Year plus Annual Tuition Increase multiplied by Total Tuition Charged / Year divided by 100																	
Est. '09-'10: Est. '08-'09 plus Annual Tuition Increase multiplied by Total Tuition Charged / Year divided by 100																	
Annual Tuition Increase: from '06-'07 to '07-'08 (assumed constant for purposes of calculating estimated tuition for '08-'09 and '09-'10)																	
Tuition Paid for Degree: Total Tuition Charged / Year ('07-'08) plus '06-'07 plus Est. '08-'09 plus Est. '09-'10																	
Fees Paid as a Student / Year: Student Technology Fee / Year plus Student Activities Fee / Year plus Transfer Credit Evaluation Fee																	
Total Cost of Degree: First Year Cost of Attendance plus '06-'07 plus Est. '08-'09 plus Est. '09-'10 plus Fees Paid as a Student / Year multiplied by 4 years
